

Memorandum

MIAMI-DADE
COUNTY

Date: September 1, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(F)(4)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Award a Legacy Contract: ADPICS/FAMIS
Maintenance and Technical Support Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for award of *Legacy Contract No. 234A, ADPICS/FAMIS Maintenance and Technical Support Services* for the Finance and Internal Services departments. Award of this contract is for five (5) years and \$2,600,000 in expenditure authority. Continuation of services is required as both departments rely on this contract for required software maintenance and technical support services for the existing countywide Advanced Purchasing and Inventory Control System (ADPICS) and the Financial Accounting Management Information System (FAMIS).

ADPICS and FAMIS are used countywide to support the County's purchasing and financial operations. FAMIS is managed by the Finance Department and is used by County departments to perform online financial processing, including, but not limited to, inquiry, reporting, general ledger, accounting, grants, labor distribution, cost allocation, accounts payable and vendor information management functions. ADPICS is managed by the Internal Services Department and is used by County departments to manage and administer procurement contracts and vendor profile management.

Both ADPICS and FAMIS are proprietary legacy mainframe applications. Cogsdale Corporation is the proprietary owner of the software supporting both systems and as such is the only vendor capable of providing the critical software maintenance and technical support services. Upon implementation and acceptance of the Enterprise Resource Planning System, portions of the ADPICS and FAMIS Systems will be retired and replaced. However, continued maintenance and support services are required to ensure the availability of both of these critical systems. There are no plans in the near future to replace these legacy systems. Accordingly, pursuant to Section 2-8.1(b)(2) of the County Code, it is in the County's best interest to award this legacy contract to Cogsdale Corporation.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The requested allocation of \$2,600,000 is based on estimated needs for the five-year contract term. The contract allocation will be centralized under the Finance Department for payment of the required ongoing maintenance and support services fees. As such, the Internal Services Department does not require an allocation.
